Artwork Detail

The image shows a split-screen comparison between an artwork detail page and a performance analysis tool.

Left Side (Artwork Detail):

- Title:** Urban Frequencies
- Description:** Thick, textured layers of orange, blue, and red clash like city lights on war asphalt. It's loud, immature, and alive — an echo of jazz, graffiti, and raw human energy.
- Image:** A colorful abstract painting with a central orange circle.
- Price:** \$100.00 – \$25.00
- Buttons:** KEEP SHOPPING, ADD TO BAG

The dashboard displays performance metrics across four categories:

- Performance: 95 (Green)
- Accessibility: 95 (Green)
- Best Practices: 78 (Orange)
- SEO: 100 (Green)

A large green circle with a white border shows a score of 95 under the heading "Performance". Below it, the word "Performance" is written in bold black text. A note states: "Values are estimated and may vary. The performance score is calculated directly from these metrics. See calculator." At the bottom, a legend indicates color coding: red for 0-49, orange for 50-89, and green for 90-100.

Library

The image shows a split-screen view of a web application. On the left, the Artera website's library section is displayed. It includes a sidebar with 'LIBRARY' and 'Your Orders' sections, and a main area showing a single order for 'Solar Splash'. On the right, a performance dashboard is shown with a large green circle containing the number '99' and the word 'Performance' below it. The dashboard also features four circular metrics: Performance (99), Accessibility (100), Best Practices (78), and SEO (100). A small mobile device icon in the bottom right corner shows a preview of the library page.

Request detail

The screenshot displays two views of a web application. On the left is a mobile device screen showing a "MY REQUEST" page with a large image of a blue and white swirl, a "Ratings: 4.99" section, and a "Status: In review" button. Below it is a "What's next?" section with a "Get support" button. On the right is a desktop browser window titled "https://artera-d6829bf39792.herokuapp.com/services/requests/6/" showing a performance dashboard. It features four circular metrics: Performance (97), Accessibility (98), Best Practices (59), and SEO (100). A large green circle with a "97" rating is centered under the "Performance" heading. Below the score, the word "Performance" is written again, followed by a note: "Values are estimated and may vary. The performance score is calculated directly from these metrics. See calculator." At the bottom, there is a legend with three colored triangles: red for 0-49, orange for 50-89, and green for 90-100.
